

1st HOIS World
Conference for
Digitalisation

Welcome to the 1st HOIS World Conference for Digitalisation of Inspection and Integrity in the Energy Industry: A 3-D Virtual Event

This 3D Virtual event will allow exhibitors to simulate all of the benefits of a physical exhibition and to enjoy all of the branding recognition and networking capability, without any of the downside of travel and at a fraction of the cost. You will be able to personalise your own avatars and engage with delegates using video conferencing and instant messaging technology and discuss the benefits of your products and services in real time!
